

HUBZone SBC may supply the end item of any manufacturer, including a large business, so long as the product acquired is manufactured or produced in the United States.

[69 FR 29424, May 24, 2004]

**§ 126.602 Must a qualified HUBZone SBC maintain the employee residency percentage during contract performance?**

Qualified HUBZone SBCs eligible for the program pursuant to § 126.200(b) must “attempt to maintain” (See § 126.103) the required percentage of employees who reside in a HUBZone during the performance of any contract awarded to the concern on the basis of its HUBZone status. Qualified HUBZone SBCs eligible for the program pursuant to § 126.200(a) must have at least 35% of its employees engaged in performing a HUBZone contract residing within any Indian reservation governed by one or more of the concern’s Indian Tribal Government owners, or residing within any HUBZone adjoining any such Indian reservation. To monitor compliance, SBA will conduct program examinations, pursuant to §§ 126.400 through 126.403, where appropriate.

[69 FR 29425, May 24, 2004]

**§ 126.603 Does HUBZone certification guarantee receipt of HUBZone contracts?**

HUBZone certification does not guarantee that a qualified HUBZone SBC will receive HUBZone contracts. Qualified HUBZone SBCs should market their capabilities to appropriate contracting activities in order to increase the prospect that the contracting activity will adopt an acquisition strategy that includes HUBZone contract opportunities.

[69 FR 29425, May 24, 2004]

**§ 126.604 Who decides if a contract opportunity for HUBZone set-aside competition exists?**

The contracting officer for the contracting activity makes this decision.

**§ 126.605 What requirements are not available for HUBZone contracts?**

A contracting activity may not make a requirement available for a HUBZone contract if:

(a) The contracting activity otherwise would fulfill that requirement through award to Federal Prison Industries, Inc. under 18 U.S.C. 4124 or 4125, or to Javits-Wagner-O’Day Act participating non-profit agencies for the blind and severely disabled, under 41 U.S.C. 46 *et seq.*, as amended; or

(b) An 8(a) participant currently is performing the requirement through the 8(a)BD program or SBA has accepted the requirement for award through the 8(a)BD program, unless SBA has consented to release the requirement from the 8(a)BD program.

[63 FR 31908, June 11, 1998, as amended at 69 FR 29425, May 24, 2004]

**§ 126.606 May a CO request that SBA release a requirement from the 8(a)BD program for award as a HUBZone contract?**

A CO may request that SBA release an 8(a) requirement for award as a HUBZone contract. However, SBA will grant its consent only where neither the incumbent nor any other 8(a) participant can perform the requirement. The request must be made to the AA/BD, who will make a determination after consulting with the AA/HUB.

[69 FR 29425, May 24, 2004]

**§ 126.607 When must a contracting officer set aside a requirement for qualified HUBZone SBCs?**

(a) The contracting officer first must review a requirement to determine whether it is excluded from HUBZone contracting pursuant to § 126.605.

(b) If the contracting officer determines that § 126.605 does not apply, the contracting officer shall set aside the requirement for HUBZone, 8(a) or SDVO SBC contracting before setting aside the requirement as a small business set-aside.

(c) If the contracting officer decides to set aside the requirement for competition restricted to qualified HUBZone SBCs, the contracting officer must:

(1) Have a reasonable expectation after reviewing SBA's list of qualified HUBZone SBCs that at least two responsible qualified HUBZone SBCs will submit offers; and

(2) Determine that award can be made at fair market price.

[63 FR 31908, June 11, 1998, as amended at 70 FR 51250, Aug. 30, 2005]

**§ 126.608 Are there HUBZone contract opportunities at or below the simplified acquisition threshold or micropurchase threshold?**

A CO may make a requirement available as a HUBZone set-aside if it is at or below the simplified acquisition threshold. In addition, a CO may award a requirement as a HUBZone contract to a qualified HUBZone SBC at or below the micropurchase threshold.

[69 FR 29425, May 24, 2004]

**§ 126.609 What must the contracting officer do if a contracting opportunity does not exist for competition among qualified HUBZone SBCs?**

If a contract opportunity for competition among qualified SBCs does not exist under the provisions of § 126.607, the contracting officer must first consider the possibility of making an award to a qualified HUBZone SBC on a sole source basis, and then to a small business under small business set-aside procedures, in that order of precedence. If the criteria are not met for any of these special contracting authorities, then the contracting officer may solicit the procurement through another appropriate contracting method.

**§ 126.610 May SBA appeal a contracting officer's decision not to reserve a procurement for award as a HUBZone contract?**

(a) The Administrator may appeal a CO's decision not to make a particular requirement available for award as a HUBZone contract to the Secretary of the department or head of the agency.

(b) An appeal is initiated by SBA's Procurement Center Representative to the CO, and may be in response to information supplied by the AA/HUB, his or her designee, or other interested parties.

[69 FR 29425, May 24, 2004]

**§ 126.611 What is the process for such an appeal?**

(a) *Notice of appeal.* When the contracting officer rejects a recommendation by SBA's Procurement Center Representative to make a requirement available for award as a HUBZone contract, he or she must notify the Procurement Center Representative as soon as practicable. If the Administrator intends to appeal the decision, SBA must notify the contracting officer no later than five business days after receiving notice of the contracting officer's decision.

(b) *Suspension of action.* Upon receipt of notice of SBA's intent to appeal, the contracting officer must suspend further action regarding the procurement until the head of the contracting activity issues a written decision on the appeal, unless the head of the contracting activity makes a written determination that urgent and compelling circumstances which significantly affect the interests of the United States compel award of the contract.

(c) *Deadline for appeal.* Within 15 business days of SBA's notification to the CO, SBA must file its formal appeal with the Secretary of the department or head of the agency, or the appeal will be deemed withdrawn.

(d) *Decision.* The contracting activity must specify in writing the reasons for a denial of an appeal brought under this section.

[63 FR 31908, June 11, 1998, as amended at 69 FR 29425, May 24, 2004]

**§ 126.612 When may a CO award sole source contracts to qualified HUBZone SBCs?**

A contracting officer may award a sole source contract to a qualified HUBZone SBC only when the contracting officer determines that:

(a) None of the provisions of §§ 126.605 or 126.607 apply;

(b) The anticipated award price of the contract, including options, will not exceed:

(1) \$5,000,000 for a requirement within the NAICS codes for manufacturing; or

(2) \$3,000,000 for a requirement within all other NAICS codes;

(c) Two or more qualified HUBZone SBCs are not likely to submit offers;
